

# 2024 Happy New Year!

## The Capleville Messenger

"Let's Do L.I.F.E. Together"

January 2024

### From the desk of Pastor Andy Thompson

Greetings friends,

I hope you all found blessings this Christmas and had a good start to the new year. It's hard to believe that we are beginning a new year! It seems as if the old year just got started and already the year is over. I have been so blessed to continue growing in the faith and serve alongside the loving congregation of Capleville UMC.

I like new beginnings and new year's, there is something exciting about embarking on a new journey, a new path. It's even a little more exciting when you're not sure where your journey may lead you. Have you ever been on one of those "destination unknown" kind of trips? Curiosity and excitement become part of the experience. Anticipation and constantly being present in the moment become part of the experience. Self-awareness, awareness of the world around you, trust and shared relationship all become part of the journey experience.

The same is true in our faith. Having spent Advent preparing for the coming of the promised Messiah, the birth of the infant Jesus always reminds me of how much God loves us and how the light of Christ continues to break through and shine in new and meaningful ways. Where the light of Christ takes us, can sometimes be uncomfortable and challenging but we know this for sure; no matter how dark, the light of God will breakthrough. No matter how lost we may be, God can find us. No matter what the world or others think of us, God will love us. No matter how desperate or hopeless things seem, God offers us salvation through Christ, His Son, our Savior. And, when we experience the presence of the Holy Spirit, we find our blessings and give our thanks and praise to God.

The light of Christ still shines brightly today. Not necessarily in the skies but in our hearts and in our soul. As we begin a new calendar year and a new Christian calendar year, I pray that you and your families find happiness and blessing in the year to come. I also pray that the transformative power of God's love and grace continues to be revealed to you in new and meaningful ways. With the light of Christ guiding us

and the love of God in our hearts, we are prepared for the journey ahead and we will continue to be a beacon of light, a love light so to speak, for others to see. I give God thanks for the way you let His light shine in this church and in this community. And I am looking forward to a new year of partnering in ministry and mission with you all. A new year of being God's love in the world!

May the grace and peace of Christ be with you all, Andy

## The Laugh Zone

### A Great Suit

A man with limited funds went into a men's clothing store to buy a suit. While looking in the mirror, he told the sales clerk "the left arm is a lot longer than the right arm," he complained. "That's why the suit is such a bargain," the sales clerk explained. "Just cock your left shoulder up a little, and tuck this left lapel under your chin a bit, like this."

"But the right leg is way too short," argued the customer. "No problem," the sales clerk answered. "Just keep your right knee bent a little at all times, walk like this, and no one will notice. That's why this suit is only fifty dollars."

After some consideration, the man decided to buy the suit. He cocked his left shoulder into the air, tucked the suit's left lapel under his chin, bent his right knee, and limped out of the store toward his car where two doctors were walking past and noticed him.

"Good heavens. Look at that poor crippled fellow," the first doctor said to the second.

"Yeah but doesn't that suit fit great?"
